

You must know that Detachments of all Troops in India shall  
at night except in Cases of Emergency, as travelling is of  
fatiguing without the sun than without — the march is gener-  
ally as near as possible and when the party have done  
away the halt is somewhat and a part of the minutes or  
quarter of an hour is given to let Stragglers come up to the  
arrangements are generally made that a Camp  
shall be ready with a portion of hot Coffee or  
other creature Comfort for the men —

Among the Goods we had out of a tin pan  
although these Coffees innocent of milk, designed  
the the coarse Sugar of the Country, and if you find me  
of veracity — not over clean I pressed after a night  
as dark as pitch, all stumbling and small  
it is not to be despised. I take your  
mat's persons @ take in substance the line is marked with  
the pectorham Pergam's orders & the other in the
